FEELING HORNY!

Matador gets brand new ring

WE'VE always heard of getting TORN A NEW ARSEHOLE, and now we know what it looks like!

Bullfighter Antonio Romero, 38, was rushed to hospital after a HALF-TONNE bull named Caporal RIPPED HIM A NEW SHITTER at a bullfight in Mexico City. Antonio's PROCTOLOGIST said the bull's

30cm horn "completely destroyed the anal sphincter and very seriously damaged the rectum".

The bull has declined to comment.

Despite facing many months of painful rehabilitation before he'll be able to SHIT FREELY, Antonio is doing alright after his ANAL RECONSTRUCTION surgery. He's putting it all BEHIND him, tweeting

from his hospital bed, "I have faith and hope in returning to feel and show that I can be someone important in bullfighting."

Let's hope the bull doesn't puncture his colostomy bag next time. *ew*

ACTING UP

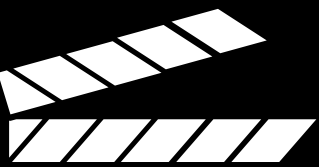

MAKING

A

scene

Lusty Lucy kicks arse in her
budding film career!

PHOTOS BY LIPSTICK SYNDICATION

**'BIG BOOBS
HAVE
SENSITIVE
NIPPLES'**

WE THOUGHT **Lucy Pinder's** acting career had started and stopped with 2012's *Strippers Vs Werewolves*, but it turns out that we were **FUCKING WRONG**.

Y'see, as the 33-year-old's glamma modelling career winds down, she's gone into the acting biz in a huge way. Her latest big-screen effort is horror anthology *Nightmare On 34th Street*, which has been described by producers as "*Pulp Fiction* meets *Tales From The Crypt*".

Lucy's digging her new career path and reckons, "It's a challenge, but it's worth it as I enjoy acting so much. There are some similarities between modelling and acting, but I find acting far more rewarding and more mentally stimulating."

It's gonna be a busy year for the legendary pin-up, who's also appearing in several other fear flicks including *A Suburban Fairytale* and *Fanged Up*.

"I love being self-employed and the freedom it gives me, but I can also lack motivation and procrastinate at an Olympic level. I should get a medal, really."

She should also get a medal for that amazing bod. Fellow pants-off peeler Michelle Marsh once described the spunk as having "BUNS OF STEEL" and we won't argue with that assessment.

Neither will Lucy's boyfriend, who has the lucky task of keeping her vagina well-serviced at all times: "My man takes care of me when I get home. Nothing beats a bit of **COCK**."

And what's the large-lunged lass's secret to her amazing 32FF boozies?

"Mine are down to good genes and lots of **GREAT SEX**. Actually, when I was younger I prayed for big boobs."

And God proved he existed by giving them to Lucy. 

GOOD CALL

EYEFUL OF IRELAND

EXITING a fashion function in LA recently, 21-year-old model Ireland Baldwin – who ya probably know is the **DARLING DAUGHTER** of Kim Basinger and Alec Baldwin – looked a tad...loose. She was shoeless, dropped her mobile on the ground and her **RIPE LEFT MELON** was falling out. We've chosen to show youse one of those three things.

HANDY WORK

DOUBLE DUTCH

STONE the crows! Or should we say, **Lara Stone** the **Doutzen Kroes**! Two of our fave modules have teamed up for a Mario Testino shoot in Dutch *Vogue*'s April ish. Not content with **CANOODLING** on the cover, 32-year-old Doutzen (below) and 33-year-old Lara (above) get artfully shy-naked inside, with hands on their bits. Which is fine... although we'd have much preferred their hands to be on **EACH OTHER'S BITS**.

SHOPPIN' & TOP-DROPPIN'

TASTY
K-STEW

NEW French ghost story *Personal Shopper* is receiving some rave reviews, no doubt helped by the fact BISEXUAL PIN-UP **Kristen Stewart**, 27, bares her lovely bazoomas. Kris plays a chick whose job

is to go 'round buying luxury gear for a celeb sheila afraid to appear in public. She's soon feeling SHIT-SCARED herself after her deceased twin brother begins sending messages from beyond the grave.

SHARING THE LOVE

The freshest flesh on celebrity social media

Here's one we missed of Latvian-born, US-based glamour **Sabine Jemeljanova**. Tell you what, we WOULDN'T miss that booty if it WIGGLED past us.

What a time to be alive! When heavenly Victoria's Secret Angels like Sweden's **Elsa Hosk** post boobly bathroom photos online for ANYONE to ogle.

WHAT A WAG

SUNDY BEST

WE HAVEN'T watched reality series *Basketball Wives LA*, about b-ball WAGS and exes, but if this is the kind of clobber the ladies get around in, we may have to start. Sundy Carter, who used to date NBA journeyman Larry Hughes (eight teams in 14 years!), has featured in three seasons of the program. Based on this outfit, we reckon Laz musta coached her on scoring a SLAM DUNK.

ARTISTS' MUSE

HELLO, KITTY!

HOW silly is art? Who else but artists would pose a TOPLESS HONEY - Parisian **Charline Muse** - with a cat'n'mouse and title the pictorial "Watchdogs"? Not that the assignment for snapper Martial Lenoir, creative director Lulu Inthesky and *Normal* mag was likely to worry Charli, who cut her teeth LIFE-MODELLING for art students. She knows their type.

GALLERANI'S NUDE GALLERY

"I LOVE playing characters who...challenge ACCEPTED NORMS," says actress **Allie Gallerani** of her role in 2017 period thriller *The Institute*, as a troubled Victorian Era babe who checks herself into a health spa that is actually the site of creepy, kinky experiments. Experiments that clearly DON'T INVOLVE CLOTHING.

SKIN-STITUTE

SARA LUVV

SHE'S a 23-year-old heaps-cute brunette from California and, **DEAR GOD**, has Sara Luvv made a lot of jizz flicks. Here are a few examples of her work selected completely NOT AT RANDOM: *Don't Forget The Balls*, *Lesbian Librarians*, *Too Much Tanning Oil* and *My Boyfriend's Roommate Fucked My Ass*. Onya, Luvv!

AUTO EROTICA

→ EVA MENDES

MOST net-savvy blokes have admired the B&W ad for Calvin Klein perfume Secret Obsession in which Eva, 43, rolls around **MOSTLY NEKKID** – an ad that was banned in the States as too saucy for TV. The petrolheads among you will also recognise her as sexy Customs agent Monica Fuentes from *2 Fast 2 Furious* and a cameo in *Fast Five*. We'd love to **PATROL HER BORDERS**.

Quick →

The women of the *Fast & Fu*

→ DEVON AOKI

TOP model-turned-actress Devon's sole *F&F* appearance was in *2 Fast 2 Furious*, but it was a **HELLA MEMORABLE** one. She portrayed Suki, who raced a souped-up pink Honda S2000 and was backed by an all-gal crew. It was our **SECOND-FAVE** Devon role after the snake-assisted shoot she did for *Maxim Online* in 2007. Trivia: Ms Aoki didn't even have a driver's licence before *2 Fast*!

→ RONDA ROUSEY

NOT content with blueing with one MMA legend (Gina Carano, p15), F&F's lead lady Michelle Rodriguez took on Ronda, 30, in *Furious 7*. At the time, "Rowdy" was undefeated, among the biggest sportsfolk in the world and being courted to do every type of media – including *Sports Illustrated's* annual "Swimsuit Issue". No doubt shots like this one led to FURIOUS penile beatdowns among UFC fans.

→ MINKA KELLY

BEFORE you write in about how the 36yo isn't in ANY of the movies, allow us to explain. In 2003, before the release of *2 Fast 2 Furious*, a DVD of the original flick hit stores containing a BONUS short called *A Turbo-Charged Prelude...*, which saw runaway cop Brian racing across the US, at one point scoring a lift with a hottie. That'd be Minka. She flashed her REAR END in 2015 drama *Papa Hemingway In Cuba*.

Flashes

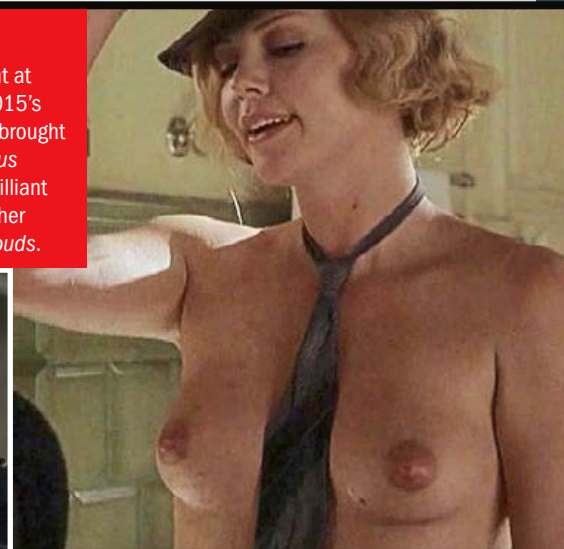

rious franchise – stripped!

IN 2001, a film appeared in cinemas about a gang of street racers/truck robbers and an undercover cop trying to bring them down. Costing US\$38 million, it went on to rake in more than FIVE TIMES that amount and send the studio into overdrive producing updates. That movie was, of course, *The Fast And The Furious* and, seven

revhead-delighting sequels later, it's grown into Universal Pictures' ALL-TIME BIGGEST FRANCHISE to the tune of US\$3.9 BILLION. With part eight – *The Fate Of The Furious* – being released in Oz this week, it's time to look at one of the secrets of the series' success besides hot cars and cool dudes: SUPER-SEXY CHICKS!

→ CHARLIZE THERON

THE 41yo South African stunna proved she was right at home behind the wheel of a SPEED MACHINE in 2015's *Mad Max: Fury Road*. No surprise, then, to find her brought in to bolster the star power of *The Fate Of The Furious* (2017), as CRIMINAL GENIUS Cipher. An equally brilliant move, in our humble opinion, was when she bared her boobies in 2004 wartime romance *Head In The Clouds*.

AUTO EROTICA

→ NIKKI GRIFFIN

THE third chapter in the ongoing story, 2006's *The Fast And The Furious: Tokyo Drift*, focused on the art of "drifting" around HAIRPIN BENDS that's super-popular in Japan. Nummy Nikki, 38, is Cindy, the girlfriend of jock arsehole Clay. She also PRICK-TEASES the hero Sean, goading him into street racing. One glimpse at Ms Griffin's rack work in *Wild Things: Diamonds In The Rough* (2005) woulda got his motor running.

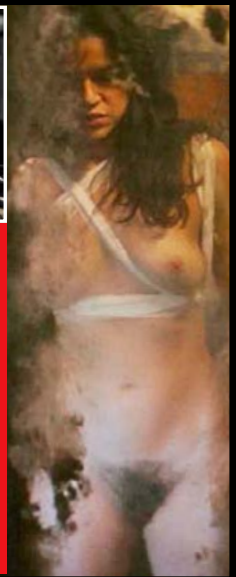

→ HELEN MIRREN

THIS cosy on-set photo with Vin Diesel is the only glimpse we've had of Hel in *The Fate Of The Furious*. As Magdalene Shaw, she's the mum of baddies Deckard (Jason Statham) and Owen (Luke Evans). Hopefully, she'll be DOING DOUGHIES in a muscle car and emulating her strip in 1972's *Savage Messiah*.

→ MICHELLE RODRIGUEZ

F&F mainstay Mick plays Letty, who's had a wild journey - HIGH-SPEED HEISTS, seemingly dying, returning from the dead, losing her memory and MORE. Recently, 'Chelle nuded up for the first time in *The Assignment*.

→ IGGY AZALEA

OUR nation loves SICK RIDES as much as any other, so it was beaut to see Oz rap champ Iggy, 26, cameo in *Furious 7* (2015). Sure, if you took a pee break at the wrong moment, you missed her, but at least she was in there. And if you wanna eyeball MORE of her, track down the December 2016 Aussie *GQ*, in which the Iggster flaunts her SLIPPERY-WHEN-WET CURVES.

Quick→

→ ELSA PATAKY

2011's *Fast Five* is set in Rio De Janeiro and the producers were keen to include a LOVELY LOCAL LADY COP in the tale. They eventually gave the part of Elena Neves to Spain's Elsa, 40, perhaps based on her BITS-OUT PERFORMANCE in 2005 Spanish comedy *Ninette*. Or maybe they just thought she'd make a really believable Rio police officer. Let's not jump to conclusions here.

→ NATHALIE EMMANUEL

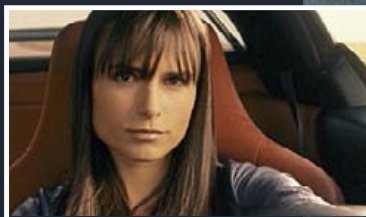

RACKING up a billion dollars at the box office in 17 days, 2015's *Furious 7* is now the sixth highest-grossing film in history (\$1.516B total). Along with Rodriguez, Brewster, Gadot and Pataky, the FOXY-AS female cast boasted 28yo *Game Of Thrones* spunk Nathalie, whose FINE LINES we were fortunate enough to witness in said cable fave. The Pom cracker plays a Pom hacker!

→ GINA CARANO

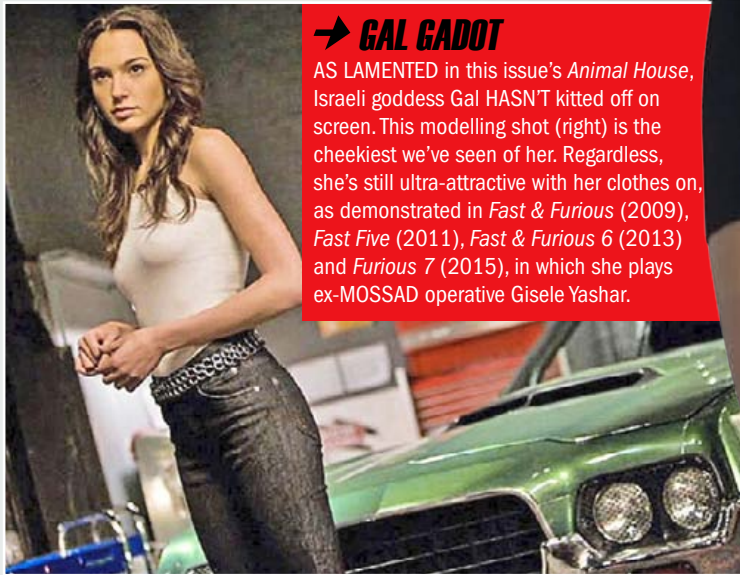

GINA'S lone F&F showing, in *Fast & Furious 6* (2013), was well-received – especially her brutal fist fight in the London Underground with Michelle Rodriguez. The pair spent two months rehearsing, which is the EXACT amount of time we've spent staring at 34yo Carano's 2009 ESPN mag "Body Issue" cover, trying to peek under that glove.

→ JORDANA BREWSTER

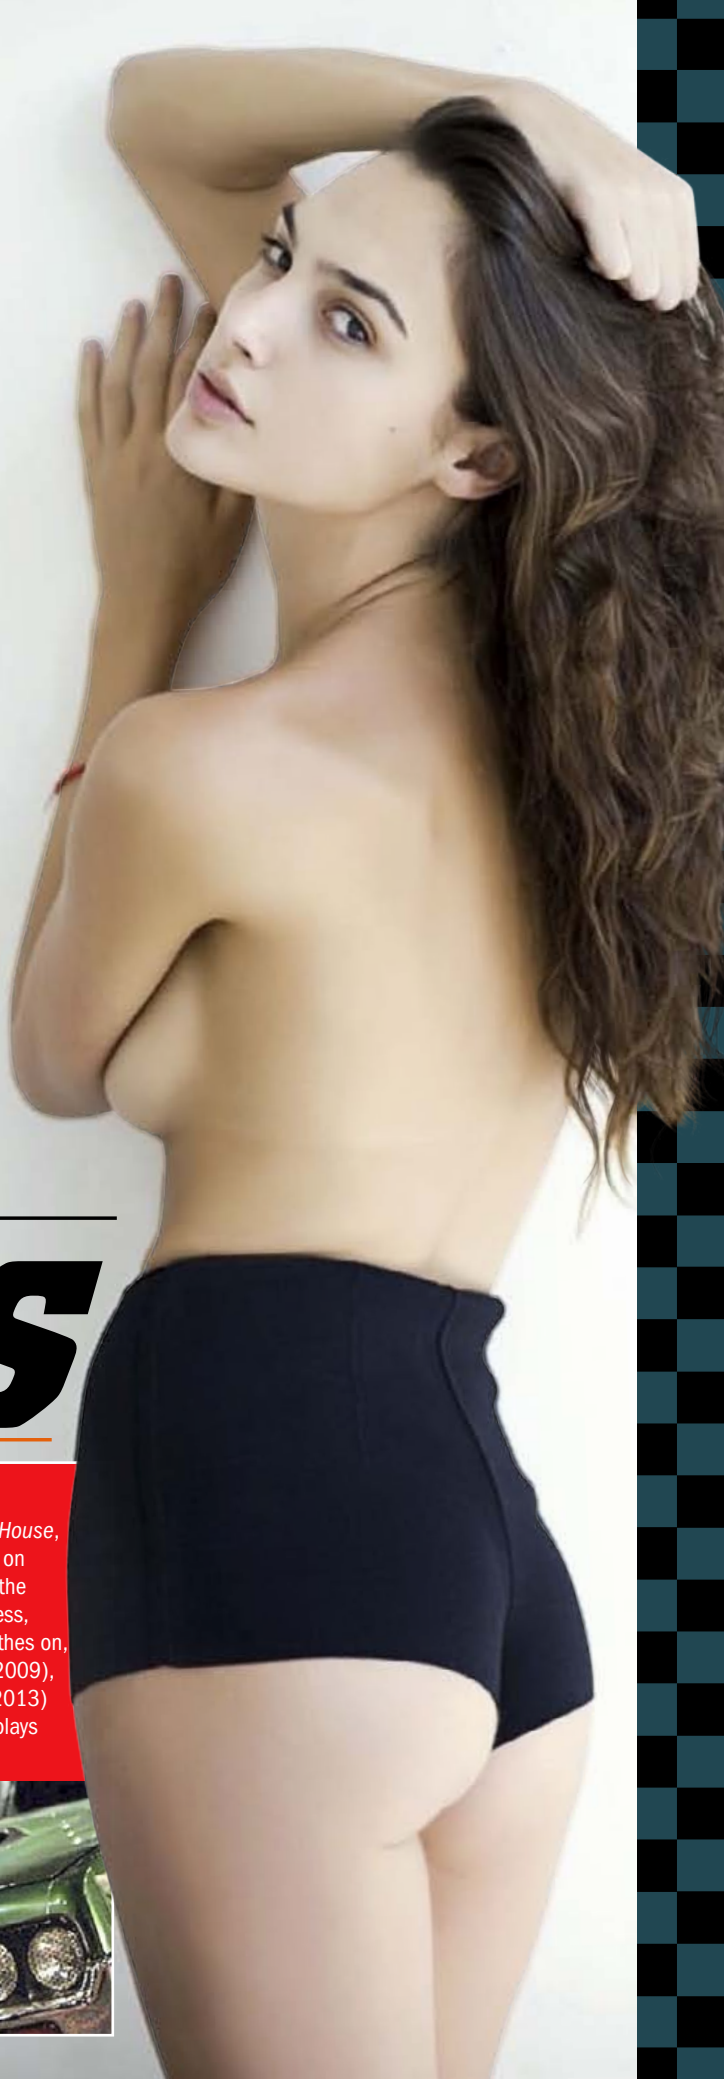

LIKE Michelle, beautiful Panamanian-born Jordana, 36, has starred in five of these car-tastic fillums. What she HASN'T done is pop her top in public. The closest we've come is a shy-nude snap she posed for in *Allure* mag in April 2015. Jords plays Mia Toretto, love interest of Brian (Paul Walker), who's just as capable in the DRIVER'S SEAT as her criminal brother Dom.

Flashes

→ GAL GADOT

AS LAMENTED in this issue's *Animal House*, Israeli goddess Gal HASN'T kitted off on screen. This modelling shot (right) is the cheekiest we've seen of her. Regardless, she's still ultra-attractive with her clothes on, as demonstrated in *Fast & Furious* (2009), *Fast Five* (2011), *Fast & Furious 6* (2013) and *Furious 7* (2015), in which she plays ex-MOSSAD operative Gisele Yashar.

NATURALLY NAUGHTY

YOU can't go past an honest porno film title, so we can assure punters that when you tune into **Young, Natural And Wicked** that's EXACTLY what you're gonna get. And it's just the way we like 'em!

We'll tell you who else likes these lovely ladies and their untouched-by-a-surgeon's-knife udders, and that's pervy **Tommy Pistol**. When a bunch of hotties turn up to his house for Spring Break, the creepy dude tries to get laid without success.

But these game saucepots – including **Alexa Grace**, **August Ames** (left) and **Jillian Janson** (right) – have NO PROBLEMS sowing their oats with a bunch of other well-hung fellas.

Luckily for Tommy, **Mia Malkova** comes to the rescue with the mercy fuck to end all mercy fucks.

If only we could find a chick who'd be THAT merciful with us!

COPS AND RUBBER

WHEN a horny Pomgolian burgled a sex shop, he took one look at what was up for grabs and thought, "To hell with the cash!"

Alan Brook, the owner of The Adult Shop in Manchester, arrived the next morning to find that the thief had leisurely watched a porno, had a toss (probably), then stolen a BLOW-UP DOLL!

He didn't take a cheapie either – no, the discerning criminal buggered off with a \$500 Heidi Lauritsen Extravaganza doll.

Alan later tried to hustle more trade by stating, "I don't see a need to break in. We're cheap enough. Don't be shy. Give us a try."

At \$500 for a fuck toy? No bloody thanks, mate.

PRO-ROOTING LEGEND Per Erik Muskos made the shocking proposal during a council meeting in Overtornea.

LADY TRADIES

1

Great tradie nicknames include sparkies (electricians), chippies (carpenters) and TURD HERDERS (plumbers).

WORK HARD, PLAY HARD

These blue-collar babes will make you sweat!

2
Plumbers make up the largest percentage of bloke tradies in PORNOS. Time for a few female plumbers, we reckon!

WHILE most tradies in Australia are bum-crack flashin' blokes, there's a growing number of CHAMPION CHICKS entering traditionally male-dominated professions such as brick-laying, plumbing, carpentry and boiler-making.

There are more than 200,000 female tradies in Australia and about 28% of all apprentices are women.

We reckon equal opportunity is A GOOD THING in *People Towers*, especially if the gals who turn up to our DEATH TRAP of an office look like the helmet-sportin', hammer-wieldin' pantsless spunks in this feature.

Staring at THEIR delicious butt-cracks while they fix our toilets or rewire the kitchen would ease the pain somewhat when they hand us THE BILL. 

3

Unlike the women in these pics, **NAKEDNESS** is not encouraged on work sites due to safety issues.

4

Tradies are healthier, less stressed and **BETTER ROOTS**...according to tradies! Sure, guys'n'gals, whatever you say.

5

According to statistics, women make better sparkies than men. Well, we feel ELECTRICITY whenever we see one of them.

BOSOM BUDDY

INSPIRATIONAL LETTER

BRA-BUSTER mammary glands of "Riveting Reade" are just fantastic in *People*, March 27 issue. It's hilarious erotic magazine for those who love the best of everything, including girls. A good stimulation for good sex. The models are

naturally sexy. "Asian Buffet!" models have the most artistic bosoms. These can be a big inspiration for artists. Women's body parts – especially bosoms – always inspire the poets. Yours faithfully...

type could appear on and who's done the most. Any ideas?

ND, ACT

ND, if you're talking about the competitive kind, our money is on "Boston Rob" Mariano from Survivor (four seasons) and The

Amazing Race (two seasons). In terms of reality TV generally, it's more likely the SLIGHTLY LESS TALENTED Kardashian sisters, who've had at least EIGHT series between them.

FIRST TIME FLYER

Tori is the hostess
with the mostest!

PHOTOS BY GARY SANTOS

THERE'S something about air hostesses which turns blokes on. Is it 'cos they're all stunnas? Or is it 'cos they bring us free alcohol? We'll probably never know, but at least we can see 19-year-old Perth hostie **Tori** in her NUDE DEBUT...

G'DAY, Tori. We heard you're an air hostess. Do you...

"Yes, I wear a cute little outfit."

You're a mind-reader, ya spunk! Are hosties always out partying and doing sexy things like we see on tееvee?

"We go out a lot and have fun. I love travelling and partying in different places. But I don't really ►

**'I'M CONSTANTLY
HORNY AND
I LOVE IT'**

FIRST TIME FLYER

► tell people what I do until the morning after."

Good stuff! Have you ever joined the mile-high club?

"I've never really thought about doing it. It's a bit too cramped in there, and I'm too busy working. I haven't heard of any of the other attendants doing it either."

Do pilots get a lot of nookie?

"Everyone in my job is supposed to hate the pilots, but it's hard 'cos there are a lot of hot pilots. Many girls go there, but I wouldn't. That would be unprofessional!"

Glad we're not pilots, then.

What's the first thing you do when you get home from a hard day's flying?

"I strip. Taking off my bra is what I look forward to the whole day."

What do you like to do in your birthday suit?

"I love dancing around the house naked, and I love cleaning naked. I'm pretty much always naked at home."

And in our minds. Do you go for guys or gals?

"I would choose a guy every time."

I love assertive guys who know I have an attitude, but can quickly put me in my place. Girls are always fun to play with when there are no hot guys around."

What gets you in the mood for a root?

"I recently got my nipple pierced and, 'cos it's so sensitive, I'm constantly horny. I love it."

What's your position on anal shagging, Tori?

"I tried it, and it wasn't really my thing. But a little bit of bum-play with oral never goes astray."

A cunnilingus fan, eh?

"Yeah! Get that tongue in the right position and...oh my Lord! If a guy doesn't automatically do it, and you have to tell him to do it, then I'm never seeing you again."

Harsh but fair. Whaddabout GIVING head?

"I can't get enough of it. If a guy I'm seeing wants head, you better believe he's getting head. Long drive? Head. Wake up in the morning? Head. About to leave for a night out? Head."

Suits us just fine!

You wish!

THREE guys are stranded on a desert island. Looking for food, they stumble upon a magic lantern containing a genie, who grants them each one wish.

The first guy wishes he was off the island and back home.

The second guy wishes the same.

"I'm lonely," the third guy sobs. "I wish my friends were back here."

Don't get her started

"Shut up, you cunt!" she screamed back.

That's a bit harsh, I thought – it wasn't my fault the car broke down on the way to the hospital.

Model marriage

DAVE brings his mate home unannounced after work, for dinner. His wife loses it while his friend sits open-mouthed and listening.

"My bloody hair and make-up aren't done, the house is a pigsty, the dishes aren't done and I can't be bothered with cooking tonight! Why the fuck did you bring him home, you stupid idiot?"

"Because," he sighs, "he's thinking of getting married."

Bloody Woodsy!

A MAN walks out to the street and immediately hails a taxi. He gets in and the cabbie says, "Perfect timing, pal. You're just like Greg."

Intrigued, he asks, "Who?"

"Greg Woods," the taxi driver responds. "He's a guy who did everything right all the time. Like my coming along when you needed a cab, things happened like that to Greg every single time. And he had a memory like a computer. He remembered everybody's birthday. He knew about fine dining and which wine to order that would perfectly accompany each dish. Not like me. I change a fuse, and the whole street blacks out. But Greg did everything right."

"Sounds like he was really something special," the passenger offers.

"He sure was," agrees the cabbie. "Greg always knew the quickest way to go in traffic and avoid traffic jams. Me? I always seem to get stuck in them. And he really knew how to treat a woman and make her feel good. He'd never answer her back even if she was in the wrong. He was always well-groomed and wore immaculate clothing. He was the perfect man! He never made a mistake. No one could ever measure up to Greg Woods."

The passenger enquires, "So how did you meet him?"

"Oh, I never actually met Greg," the taxi driver sighs. "He died and I married his wife."

On the third morning he gave me a call and asked, "So how is everything going back there?"

"The house is fine," I said, "but your cat died."

Upset, he said, "That really ruined my day. I wish you had given me the news a little more slowly. You could have told me my cat was on the roof and wouldn't come down, the next day you were trying to get him down but he wouldn't budge, the next day he wasn't eating, then he'd died. It wouldn't be so shocking."

"Sorry. Next time I'll know better."

He went on, "It's OK, I know you didn't mean it. So how's my mum?"

I replied, "She's climbed on the roof and I can't get her down."

THE BYE BYE MAN

Reel DVD, rated M, out April 19, RRP: \$24.95 (DVD)/\$29.95 (Blu-ray)

What's the guts? When three friends move into a new house they stumble across a scribbled message that unleashes the supernatural entity known as The Bye Bye Man. Once they say his name, they find themselves stalked by a sinister tall man who wants to steal their souls. Afflicted by terrible visions, plus mounting paranoia and jealousy, the trio must find a way to

destroy The Bye Bye Man...if they don't kill each other first.

Anything else? Based on a short story by Robert Damon Schneck – who first heard it from a friend who claimed it actually happened to him – The Bye Bye Man is a surprisingly effective chiller. It doesn't hurt that talented thespas Faye Dunaway and Carrie-Anne Moss give the flick some real acting cred.

Final word: Don't think it, don't say it... just watch it.

THE friendly folk at Reel DVD have sent us FIVE DVDs for this giveaway. To enter, **just tell us IN ONE SENTENCE your fave creepy urban legend.** The five spookiest answers will receive a DVD. Mark your entries "The Bye Bye Man comp".

End Of A Gun

Eagle Entertainment, rated MA, out April 19, RRP: \$29.95 (DVD/Blu-ray)

What's the guts? When a chick approaches ex-drug enforcement agent Decker with a proposal to steal \$2 million being guarded by the Parisian cops, he jumps at the chance. Soon, this unlikely Bonnie-and-Clyde duo is on the run from both the authorities and hit squads sent by a drug lord unhappy that his loot has been ripped off. Can they

survive and live happily ever after? Or at least enjoy a quick root while rolling around on a bed of cash?

Anything else? Hell, we'll never say no to a Steven Seagal fillum and this is one of the dude's best on-screen efforts in years. Of course, it doesn't hurt his partner-in-crime is sassy Jade Ewen, who some of you may remember as a former member of pop group Sugababes.

Final word: Fun with guns.

WIN!

WE'RE offering FIVE DVDs for this comp, courtesy of our gun-totin' pals at Eagle. To enter, **just tell us IN ONE SENTENCE your fave Steven Seagal film and why.** The five most exciting answers will win a copy. Mark your entries "End Of A Gun comp".

The Fabulous Flying Mrs Miller

By Carol Baxter

Allen & Unwin, out now, RRP: \$29.99

What's the guts? Jessie Miller was a suburban housewife in 1920s Melbourne who left behind her staid life in Australia to do extraordinary things overseas. She was a pilot, thrill-seeker and heartbreaker who became an international aviation celebrity. She was the first woman to fly from England to Australia, then took part in the first all-woman air race (competing against Amelia Earhart, no

less). And five years later she'd be involved in one of the most shocking murder trials in US history.

Anything else? This biography is an amazing tribute to an unheralded Aussie legend who lived a life full of danger, adventure and mystery. Baxter has written plenty of books previously about fascinating figures from Australia's past, but this book could well be her finest effort yet.

Final word: Absolutely fabulous!

WIN!

WE'RE giving away THREE copies, thanks to our mates at Allen & Unwin. To get yours, **just tell us IN ONE SENTENCE the best flying experience you've ever enjoyed.** The three most intriguing answers will get a book. Mark your entries "The Fabulous Flying Mrs Miller comp".

THE HAREM

ODIE | 23 | LAUNCESTON, TAS

FEMME FACTS

BOOK-LOVIN' **Odie** got her rocks off reading *Fifty Shades Of Grey*, so she's decided to turn her hand to writing some erotic fiction of her own. Thankfully, the 23-year-old Taswegian has plenty of bisexual experiences to draw upon for inspiration!

A person's back and legs are visible in the foreground, partially submerged in a pool of water. The background is a blurred green foliage. A large blue graphic overlay is centered on the page. It features two winged figures in silhouette, one on the left and one on the right, both in a dynamic, dancing pose. In the center of the graphic is a circular area containing a white silhouette of a person in a similar pose. The text "WAITING FOR ODIE" is written in large, white, bold, sans-serif capital letters across the center of the graphic. The word "WAITING" is on the top line, "FOR" is on the second line, and "ODIE" is on the third line, which is significantly larger than the others. The word "ODIE" is partially obscured by the blue graphic elements.

WAITING FOR ODIE

Good erotic fiction takes time!

HONESTLY, we thought *Fifty Shades Of Grey* should have been renamed *Fifty Shades Of SHITE*, but Launceston lust-bucket **Odie** disagrees. She bloody loved the book so much that it inspired her to pen her own dirty stories. And they're all based on SEX STUFF that happened to her!

DOES this mean we'll soon be reading your erotic tales in *True Blue, Odie*?

"Haha. I doubt it. I plan to one day self-publish a book of my FILTHY FICTION. But it'll take a while." ►

► **Why the delay, matey?**

"Two reasons. Firstly, I have to make more cash to fund the book's publication. Secondly, I need to fulfil a few more of my SEXUAL FANTASIES to use as fodder for my writing."

What do you have in mind?

"Well, I'm BISEXUAL, but I've never had a threesome with two chicks. I plan to rectify that very soon."

And how will the ladies feel about winding up as characters in your book?

"I guess I'll find out, but everyone else I've fucked has been flattered to learn they're being immortalised in my writings."

What is it about *Fifty Shades Of Grey* that floats your boat?

"It's kinky fun – I jerked off heaps of times while reading it. But can I let you in on a secret? EL James isn't the world's greatest writer. I felt inspired to write my own

fiction afterwards because I thought, 'Shit. I can't do any worse than her.'"

That's a fair call. If you could shag any character from a novel, who would it be?

"I've fantasised about fucking Mr Darcy from *Pride & Prejudice*, especially the version played by Colin Firth in the BBC miniseries."

What appeals to you about him?

"He's romantic and arrogant at the same time. Plus, I'd like to peel him out of his 19th-century clobber and BLOW HIS MIND with my 21st-century bod!"

Righto. So what's the working title of your book?

"*Confessions Of A Slut* – although that may be a bit strong."

Ya think, Odie?

"I told you it was a working title. How about *Fifty Shades Of Jism*?"

Better.

TRUE BLUE CONFESSIONS

MY EX-GIRLFRIEND'S mother was a strict Catholic and didn't approve of me "living in sin" with Hannah. Annie wouldn't even mention me when she rang Hannah for a chat.

It reached the ridiculous stage when we visited her in Adelaide and were told beforehand that we'd be sleeping in separate rooms.

"Just do it and we won't have any arguments," Hannah told me during the car trip. "Besides...I might happen to go SLEEPWALKING during the night and accidentally wind up in your room."

I grinned and assured her I wouldn't kick up a fuss about her mum's STUPID RULE. Sure enough, as soon as we arrived, Annie showed us to our rooms, which were located at opposite ends of the big house.

That night, we had dinner and it was surprisingly pleasant. Annie even got flirty as we knocked back vino BY THE BOTTLE.

Eventually, I staggered off to bed, feeling sad that Hannah wasn't with me, but happy in the knowledge that she'd sneak in for a DIRTY FUCK later that night.

SINS OF THE MOTHER

A few hours later, I was awakened by the delightful feeling of lips wrapped round my bell-end. I groaned as the wet mouth worked its MAGIC.

"Climb up here, honey," I whispered. "I need to root you."

But the lips stayed firmly on my shaft and, instead, picked

'ANNIE'S LIPS STAYED FIRMLY ON MY SHAFT'

up speed. It proved too much for me and I BLASTED MY TADDIES down Hannah's throat. Or so I thought.

Imagine my utter shock when the flushed face and sweaty head that emerged from beneath the blankets belonged to ANNIE!

She drunkenly smiled at me,

sat on my chest and moaned as she diddled herself while I got a close-up view of her MIDDLE-AGED MUFF. I even kneaded her arse (to be polite).

Which was when Hannah opened the door and walked in on us. End of relationship.

PHONEY BONE

I HAD an old girlfriend, Kara, who found it PISS-FUNNY to call me during the day and immediately begin talking dirty, hoping I'd be somewhere totally inappropriate.

The upside of her HORNY HABIT was that if I could get to a private place in time, I could have a wristie while she whispered filth in my ear.

On one occasion, I was at the cinema when I felt my mobile vibrate in my pocket and saw it was Kara calling.

The movie was boring, so I bolted to the dunnies.

Fortunately, they were empty, so I went to the far stall, shut the door and hit answer.

"About time!" said Kara, "Thought I was gonna have to find a new FAT COCK to suck."

'KARA SAID SHE NEEDED ME TO POUND HER PUSSY'

While she described what she'd do to me the next time we were together, I whipped out my CUSTARD CHUCKER and got busy.

Kara was well into her spiel – talking about how she needed me to POUND HER PUSSY TO PIECES as I groaned in ecstasy – when I heard the door open and someone enter the loo.

I froze mid-stroke.

There was the sound of peeing, then a flush, then hands being washed, then a stern elderly voice said, "DON'T MAKE A MESS, SON."

Ben, NSW

RACY LADIES

AFTER a day at the races, we went back to a mate's house and KEPT DRINKING, ordering a stack of pizzas and playing daggy music vids on YouTube.

Around 10.30pm, I realised I was exhausted and declared I was taking the spare room.

"I'll be in to join you later," said Margot, a friend of a friend I'd only met that day. She looked and sounded like a young NIGELLA LAWSON.

I wasn't sure if she was joking – especially as she'd also given me a CHEEKY WINK.

Sure enough, I was woken in the wee hours by someone undressing then joining me under the covers. Margot smelt of expensive perfume and cheap wine.

"Hey, babe," she said softly, turning away from me. "I'm all partied out and ready for sleep."

'I FINGERED HER TO ORGASM WHILE KISSING HER NECK'

I dunno what possessed me, but I snuggled up against her back and put an arm around her.

She practically PURRED WITH PLEASURE, so I ran my hand over one of her amazing boobs, feeling the stiffening nipple.

"Mmmmmmm...keep going."

I lowered Margot's panties, then slipped my hand between her legs and began RUBBING HER CLIT. The more she moaned, the more deeply it turned me on. Rubbing became FINGERING and

I brought her to orgasm while kissing her neck.

Next, she did me. I was so wet and so STIMULATED by my first lesbian experience I almost came at her initial touch. Not long after, I fell into a CONTENTED sleep.

At breakfast, the others were suspicious but not game to comment. It didn't matter – a week later, Margot and I WENT PUBLIC as a couple.

Jane, Vic

SHARING AND CARING

"GUESS who I rooted today?" I said to my buddy Andy at the pub, over our first beer of the evening.

He laughed and shook his head.

"Nadia. She gave me a BOOTY CALL this morning and, since I had to pick up some stuff for the shop, I went over there and we had a quickie. That chick's body is incredible. Her tits are the PERFECT SIZE for squeezing and..."

I could tell by the horrified expression on Andy's face that something was wrong.

"You rooted Nadia this morning?" he asked.

"Sure did," I grinned. "TIGHT AS A CLAM."

"But I rooted her this afternoon!" cried Andy.

"Mate, I'm sure she had a shower in between. We used a condom."

"You don't understand," said Andy. "I've been hanging out with her a lot recently, giving her lifts to the gym and going jogging. I thought we were getting serious. After I SHOT MY LOAD, I told her I loved her."

I tried my very best to keep a straight face: "You poor bugger, you picked the wrong woman to fall for. Nadia roots who she wants, when she wants."

'HER TITS ARE THE PERFECT SIZE FOR SQUEEZING'

I continued, "Jesus, Andy, I once had a THREESOME with her and a tourist we met at the beach an hour earlier."

"Gee, that really fucking helps," wailed Andy.

"Sorry, mate. Hey, so was she still wearing that CROTCHLESS LINGERIE when you dropped around in the arvo? Light blue lace with little bows?"

"Shut up and drink your fucking beer," he growled.

BUBBLE BUTT

HOW do you pamper that bum (and the rest of your sweet bod)?

"I love bubble baths! I love body scrubs, body butters, bath bombs and so on. I make my own organic soaps, even for my dogs."

As a lesbian lady, are you an arse woman?

"I love beautiful women. I love curves and I'm a sucker for a great smile."

What advice would you give wannabe porn stars?

"Pace yourself. There's no reason to do something that you don't want to do. You're in control. Stay in control and practise safe sex."

Especially when it comes to the butt stuff.
